Do you want to meet new people, expand your social circle, and have some fun? Our Buddy Club is part of our new Buddy Up Project, helping people connect and take part in their communities.

Get involved in our Buddy Club, a group of people from all walks of life looking to make new friends and grow social connections.

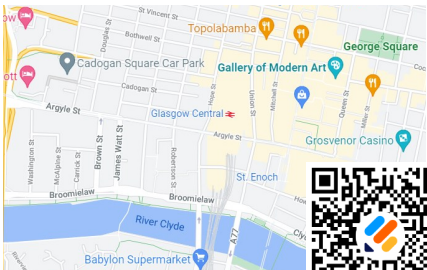

Buddy Club will meet weekly and plan their activities as a group over a coffee and cake, where every second week, the session will be activity based such as snooker/pool, bowling and much more. All travel, activities and food are self-funded by participants.

Tuesdays from 11.00-1.00pm
